

Understanding the world

“What’s the same? What’s different?”

The seasons are beginning to change from Autumn to Winter.

What changes can the children talk about?

Autumn

Winter

Maths

“Can you make a 2 collection at home?”

Encourage your child to find 2 objects that are the same around the home or outside, can they talk about how many they have?

Home learning

Please complete two of these home learning tasks by December 18th. Each time your child completes an activity please upload it on to

Tapestry.

Physical development

“Can you run as fast as the Gingerbread Man?”

Literacy

“Can you share a story about a festival that you celebrate?”

Talk with your child about festivals that you celebrate as a family.

Expressive arts and design

“Can you do a firework dance?”

Please take a photos/videos of your children doing a firework dance.

Communication and language

“What have you done today?”

Can you talk with your child about their day?

I wonder what wonderful things they have gotten up too.
