Dear parents,

**Children achieve best when home and school work together.
Therefore, we are inviting you to a meeting on
15th January at 9am in the Infant hall.**

We are working hard to prepare your child for the Standard Attainment Tests (SATs) that they will be taking during the week beginning 11th May 2020. These are National tests and it is important that the children achieve to the best of their ability.

We will be sharing with you;

- the National expectations for maths, reading and writing
- what the tests will look like
- how you can support your child in preparing for the tests

Together we can give your child the best possible chance of success which will help them start secondary school with the confidence that they have the knowledge needed to springboard them into Year 7.

Please join us and show your child that being 'the best you can be' is a priority for the whole family.

Kind regards

Debbie Marklove
Principal
