

Y6: CHERRY TREE LANE

TERM 2

Dear Year 6,

Welcome to Term 2. Here are a few reminders and some important information that you need to know for this term. We continue to learn about the Maya: our learning overview is attached with this letter to show you the different areas of learning we are exploring. There is also knowledge organiser showing the key areas of learning for maths for this term with this letter.

Safety rules: each class will remain in their bubble and won't mix with other bubbles. Rules within the classroom are staying the same; please remember that there is a special rule requiring all children to face forwards for safety reasons. We will continue to make sure that children wash or sanitise their hands throughout the day and tables are cleaned regularly.

HOME WORK: Your Year 6 homework will be set as described below.

Reading: Children must read for 15 minutes, a minimum of four times a week and record this in reading records. Reading books and reading records must be in school every day for reading in school.

Number Fluency: With this letter are the Key Instant Recall Facts for Term 2. These should be practised every week to support your learning in class.

English and Maths Tasks: Weekly Maths and English tasks will be set on your 'To Do' tasks on Purple Mash. These will be set on a Friday and must be completed by the following Wednesday.

Home Learning Grid: The home learning grid is attached with this letter. Choose a minimum of three activities to complete over this term and upload them to Purple Mash.

What to bring to school each day: Children need a named water bottle, a named lunch box (easy to clean), a named coat and a named bag (e.g. a sandwich bag) for your face mask, which will be kept in your locker. You may also bring a **healthy** snack with you for playtime; this could include fruit or a cereal bar. Remember we are having competition with the rest of the school: fruit receives 2 points and there is 1 point for a cereal bar. Chocolate or crisps do not win points. Emerald City class enjoyed playing tennis last term as their prize for the healthiest snack class. You should also bring your reading book and reading record to school every day.

PE kit: Monday remains our PE day. You will need to wear trainers, dark joggers, a white T shirt and your **blue school jumper**. PE will be outside as much as possible

so please make sure you have warm clothing, including coat, hat and gloves as the days become colder.

This letter and all the attached documents can also be found on our class page on the school website.

Best regards,

Miss Mathews and Mrs Francis ☺
