

Writing

- We will be reading the story 'The Robot and the Bluebird' and looking at the underlying themes of friendship.
- We will be recapping what a sentence is.
- We will learn how to use the conjunction word 'and' to join to sentences together.
- We will be writing the ending to 'The Robot and the Bluebird'
- We will also be writing a letter from the robot to a friend about the bluebird.

Art and DT

- We will look at impressionism art.
- We will design and use water colours to paint our own Victorian picture.

Science

- We will be looking at a range of materials and their properties.
- We will conduct science experiments to compare a range of the materials properties.
- Which material is the most absorbent? Bouncy? Or strongest?

Long, Long Ago

History and Geography

- We will be learning about the Victorians.
- What the schools were like in the Victorian times.
- The work Victorian children were expected to do.
- We will compare the similarities and differences to life today.

Phonics

- We are recapping our Phase 5 sounds.
- This term we will be learning about split vowel digraphs, like the 'a-e' in 'cake'.

Maths

- We will be looking at 2 digit numbers and place value. We will understand how many tens and ones go into a two digit number.
- We will be looking at geometry; learning the properties of 2D and 3D shapes such as; pentagons, hexagons, octagons and lines of symmetry.
- We will be learning how to add and subtract.
- We will learn addition and subtraction methods to help us find the most effective way possible.
