Maths
It is believed that Stonehenge contained 82 stones. How many stones would they have needed to build two Stonehenges?
Dylan Can you provide a similar sentence. Such as 8 Stonehenges would need _____ stones.

English
Take yourself back in time to the Stone Age. Write a diary as you explore this unusual world so that you can share your experiences with your class mates.

Science
Using clay and a toy animal, make your own dinosaur/animal fossil.

**Long, Long Ago
Stone Age**

Personal Experience
Can you go on a fossil hunt and take pictures along the way?

ICT
Try and create your very own Stonehenge using stones from the garden. ~~Take~~ make or any other material you have at home. Take a picture if you are unable to bring your project into school.

Research
Can you find out which stones are believed to have magical or healing powers?
