

## Term 4 in Year 4

Hello Year 4,

After completing our first term of remote learning, we are ready for the new term and we are prepared for any challenges that may arise. We will never have a more challenging term than the previous term and our class came through it with flying colours. The children were brilliant and they have and are currently making history. No other generation have had to learn like this and they can look back in the future and be proud of their achievements.

### Remote Learning timetable:

Below is the timetable that was used for term 3 and will be used during any remote learning in term 4. The timetable can be found in the files section of TEAMS with working links to access each lesson. I will continue to share the links the evening before.

	<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
<b>Literacy morning link:</b> Login at 8:30	<a href="#">Click here to join the meeting</a>				
8:30 - 9:00	Login and independent reading.				
9:00 - 9:20	Joe Wicks PE with Mr Pryce	Wake up activity.	Joe Wicks PE with Mr Pryce	Wake up activity.	Joe Wicks PE with Mr Pryce
9:20 - 9:50	Guided reading and spellings	Guided reading and <b>spelling test</b>			
9:50 - 10:45	Writing	Writing	Writing	Writing	Writing
10:45 - 11:00	Break	Break	Break	Break	Break
<b>Maths 11:00 link:</b> Login before 10:45 break time and turn camera/mic off	<a href="#">Click here to join the meeting</a>				
11:00 - 12:00	Maths	Maths	Maths	Maths	Maths
12:00-1:00	Lunch	Lunch	Lunch	Lunch	Early Friday finish

1:00 - 1:20	Maths Fluency	Maths Fluency	Maths Fluency	Maths Fluency	
1:20 - 2:00	Geography	PSHE	RE	Science	

### Break Time

If children can ensure they sign into the maths session straight after the writing lesson before having their break, it would be greatly appreciated. Children can then

turn their cameras and microphones off while they enjoy their well-earned break time.

### Uploading work

Last term, I received an amazing amount of work from children which was fantastic to see. This term, I want to see if we can share even more. This helps me understand who needs support in certain areas and if I need to change my planning to accommodate this. Please upload any children's work to Purple Mash via the 'Work' folder before moving it into Mr Pryce's home learning folder. Don't forget you can look back at what you sent to see my feedback. If you need any support with this, please do not hesitate to ask via email.

### Maths KIRFs and Knowledge Organisers

This term's Key Instant Recall Facts (KIRFs) focus on the times tables. By the end of year 4, children need to know all their times tables fluently. This sheet provides games and tips to learning your times tables. The knowledge organiser provides you with methods that will be used in class to achieve the year 4 maths objectives for this term.

### A big thanks

I would like to take this time to thank all the children and parents for their hard work last term in unusual and sometimes confusing circumstances. We all learned together and I think we did really well to learn this new procedure so quickly. I hope you have a great and relaxing half term and I will see you in term 4 refreshed.

Mr Pryce
