

## DT

Design and make a Roman shield using research from the internet to inspire your design.

## Get Outside!

Explore your garden or local park (with an adult) to collect data on the living things that you can find in their natural habitats.

## ICT

Choose a Roman Emperor / king to research and produce a fact file.

Choose how you would like to present the information you have found out. This can be by writing and drawing on paper, or by using a computer programme (word, publisher or PowerPoint).

## English

Write a diary entry as a Roman slave. Include your daily routine, who you work for, whether they are good employers and the jobs you are responsible for. Remember to include your feelings, thoughts and description.

## **Y4 Home Learning The Romans in Britain**

## History

Choose a sensible material to make a writing tablet out of. You need to be able to inscribe marks on it and be able to reuse it again. Use the Roman alphabet to write a message or your name on your tablet.

## Maths

Make a snap card game using Roman numerals matching them to numbers we use today.
