

## Year 4 Term 1 Learning Grid

### RE

In RE, we will be learning about Judaism, including their beliefs and to learn about Jewish stories.

### Writing/Reading

Using the book 'Black Dog' and the animation 'The Catch' we will be developing our reading and written work by looking at speech and dialogue.

We will be covering subordinating conjunctions, inverted commas as well as investigating how and why we use paragraphs in our written work.

### Art & DT

In art we will be creating mosaics.  
We will plan, design and evaluate our work.  
We will use various techniques to create our patterns.

### PSHE

In RE, we will be learning about Judaism, including their beliefs and to learn about Jewish stories.

### Maths

In term one we are continuing our learning of place value.

We will be representing, comparing, ordering and rounding numbers up to 10,000.

# Y4 Term 1

### Topic

During term 1, we will be commencing our learning about the Romans. We will look at timelines, comparison with the Stone Age and locating countries which were invaded by Romans using map skills.

### Science- Living Things

We will be investigating what all living things have in common. We will classify living things by looking at their similarities and differences.

### Computing

In our computing sessions we will be learning to communicate using the 2email Purple Mash software.

Online safety will be taught throughout the term.

### Recovery Curriculum

During the first three weeks of term, we focused on our transition back into school life. We discussed our feelings, resilience/perseverance and learning behaviours via various activities such as our team effort orientated Batman art.
