

## Year 4 Term 2 Learning Grid

### RE

- We continue to learn about Judaism with Mrs Falvo.
- Following this, we will study Christianity and the importance of Christmas.

### Writing/Reading

This term, we will be reading and using the book 'Mrs Noah's Pockets'. We will learn how to write expanded noun phrases, the power of 3, prepositional starters and more.

In non-fiction we will be investigating and writing our own non chronological reports.

### Art & DT

In art, we will be looking at the work of Kara Walker. She is a black, American artist who uses silhouettes in her work.

In DT, we will investigate what an aqueduct is and consider what it may have been used for before we plan, build and evaluate our own aqueducts.

### PSHE

This term, we will be celebrating our differences, understanding influences, judging by appearances and understanding bullying.

### Maths

- In term two we start investigating the properties of 2D shapes.
- We will be looking for these shapes in real life context.
- We then move onto multiplication and division. We will be building our 6, 7 and 9 times tables.

# Y4 Term 2

### Topic

During term 2, we continue to study the Roman Empire.

- We will consider what made the Roman army so formidable.
- We will take part in role play to understand the effectiveness of the Roman army.
- We will investigate what life was like in Britain before the Roman invasion.
- We will also learn about the Roman invasion of Britain.

### Science- Animals (Including Humans)

- We continue our science learning looking at animals and humans.
- We focus on food's journey through the body and the functions of various organs.
- We also learn about teeth as the first stage in the digestive system.

### Computing

- Through our computing sessions we will continue to focus on online communication via 2Email and 2 Blog..
- This term's online safety topic is online relationships which will be taught at the beginning of each computing lesson.

### PE

We will be improving our agility (ball chasing) and static balance (stance) while learning the rules and skills associated with hockey.

### Music

In music, we will be exploring the use of different timbres.
