

Welcome back to Year 4.

We hope you had a fantastic Christmas break and enjoyed your time off. We hope that all children are ready to continue working hard showing good learning. In Year 4 this term we have Mrs Breen teaching Neverland class and Miss Syed teaching Emerald city class. There are numerous adults helping to support the children across the year. They are, Miss Angell, Mrs Crisp and Mrs Begum.

We have PE on Monday and Thursday so please make sure that PE kits are always in school for these days.

Remember attendance monopoly is played every week in Dazzler assembly but only classes that have 96% of above attendance will get a roll of the dice - make sure you're on time and in school to ensure we get a turn every week.

We appreciate the support that is given at home with reading (please remember to comment in your child's reading record and that it then comes in to school daily) spellings and time tables (including division facts). Please ensure your child reads regularly to an adult at home and completes the weekly homework given as this will makes learning more advanced skills easier. Homework is given out on a Friday and should be returned the following Friday. Book bags and reading records should be in school daily.

Our topic this term is 'Water, Water' where we will be learning about how animals and people use the water around them. Please check the home learning grid for more ideas to complete with your child at home. The children receive certificates for the number of homework pieces they chose to complete from the grid.

This term there is also the opportunity for children to join us on our residential to Braeside where they will have the chance to experience outdoor learning. They will get to see animals up close in their natural habitats and explore how they use and survive in the water around them.
